Subject: Nomination of oneM2M Technical Plenary Vice Chairman

To oneM2M:

On behalf of Huawei Technologies Co. Ltd., a CCSA member, I am pleased to propose Dr. Yongjing Zhang as a candidate for the position of vice chair of oneM2M Technical Plenary.

Dr. Zhang is well experienced in the standardization work and service enablement technologies. He has actively participated in various standard organizations and fora, and is currently serving as the chairman of the MAS (Management, Abstraction and Semantics) Working Group of oneM2M. Through his consecutive three terms as the Chair of MAS WG in oneM2M, Dr. Zhang has not only actively contributed to the technical discussions in both the device management domain and the data modeling and semantics domain, showing his outstanding technical capacity of leading the work, but also demonstrated the capability of maintaining the fairness and neutrality in the procession of the meetings. He has also been active in promoting oneM2M in regional and global events, and collaborating with external organizations such CCSA (China Communications Standard Association) and W3C. Now he is ready to further contribute to oneM2M with the TP vice chairman position (if elected), targeting at the large scale market success of oneM2M in various IoT industries.

Huawei will provide all necessary support to Dr. Yongjing Zhang for fulfilling his task as the vice chairman of oneM2M Technical Plenary.

Sincerely,
