

Nomination for Andrew Min-gyu Han

Dear election officer,

Hansung University is honored to nominate Prof. Andrew Min-gyu Han as the candidate for role of the Chairman of oneM2M TDE WG.

He has been an active participant of various standardization organizations since 1995 including TeleManagement Forum, OSGi, OMA, 3GPP and oneM2M, over twenty years as a contributor, more than ten years as an editor, chairman and vice-chairman of these organizations.

Hansung University believes that he will provide unbiased, excellent leadership as the chairman and do his best for the achievement of TDE WG objectives.

Hansung University will provide necessary time and resources to fulfill the duties as the chairman position and support participation in the standardization activities of the oneM2M TDE WG for his candidacy.

Hansung University kindly requests oneM2M to accept this application for the chairman position of TDE WG.
